Light of Hope Programs

Support Groups - Various groups/classes are offered throughout the year. (visit our website)

One of our primary focus support groups is our General Encouragement Support Group every Thursday evening at 6:30pm, open to anyone. We invite individuals, family & friends, facing the struggle of substance misuse, addiction, or any life difficulty.

These groups are confidential, non-judgmental, open and a safe place to share. This is a place to process the difficulties of facing these realities. We offer prayer, encouragement, wisdom through scripture, educational topics, and allow the opportunity to share and derive feedback.

LOH is partnered with the Roger's County District Attorney's office.

LOH is a signature validated support group resource for probation and community service requirements.

LOH General Encouragement Group – Thursday night (weekly) 6:30-7:30pm

School Education – LOH/DEA School Drug Education Program

***LOH received the Drug Enforcement Administration (DEA) 2020 National Community Drug Prevention Award.**

Offering schools impactful student prevention education assemblies & group education, Parent/Teacher awareness education, & staff continuing education.

Light of Hope is exclusively partnered with the Drug Enforcement Administration (D.E.A.).

Resource Assistance

Individuals & families who are serious and ready for help, can find assistance in locating the best resources available to receive that help. We will guide and encourage you in this difficult step. We will pray, encourage, and do our best to find the best facilities possible to meet your need.

Addiction's Awful Truths Monthly Impact Panel (4th Thursday of each month – 6:30-7:30pm)

Monthly panels of speakers, sharing their experiences with the truths of addiction. These are impactful ways to bring truth and awareness through real-life experiences. (counts as a required meeting)

Reboot, Rebuild Employment Initiative / BOOST

In collaboration with CEIDA, this program is designed to assist the community with the difficulties of finding employment. Designed to give a productive hands-up to those who have faced difficulty rebuilding their lives after past mistakes. This is a very organized Expo, providing employment guidance and techniques for improvement, to guide people towards a road to rebuilding and recovery. This is a community-wide collaboration of organizations, companies & resources. We work together to create this powerful opportunity for our community. Boost is a reverse job fair follow-up to the Reboot Rebuild Expo. Participants interview Employers.

Community Awareness

Our desire is to educate and inform our community about substance mis-use and addiction. We provide educational forums, community gatherings, and Town Hall meetings. We also strive to bring the family unit together, by encouraging positive gatherings through community focused events.
